12:00 – 4:00pm Monday through Friday, during the nine weeks of Summer Camp

We are ideally seeking someone interested in both the After Care and the Camp Lead Teacher roles; however, we are open to exploring a separation of the responsibilities.

Boulder Waldorf Kindergarten seeks an Early Childhood Teacher who will lead our After Care program and our Camp program. Our After Care program serves approximately 19 children per day and is for children who have attended our morning program. The program includes lunch, rest and outdoor play. We have one Lead Teacher and two Assistant Teachers in our After Care program.

Our Summer Camp program runs for nine weeks in the summer and consists of three 3-week sessions. The morning hours are 8:30am – 12:30pm and serve approximately 22 children every day. The afternoon hours are 12:30pm – 3:30pm and serve approximately 10 children every day. The program primarily includes outdoor play. We have one Lead Teacher and two Assistant Teachers in our Summer Camp programs.

The Lead Teacher supervises the Assistant Teachers and is ultimately responsible for carrying out the pedagogical duties of the classroom.

The ideal candidate will have Waldorf training and/or experience and enjoy working with young children ages two-and-a-half to six. Ideal candidates are able to work well with colleagues and parents and have an appreciation for the importance of a soothing, nurturing and supportive afternoon rest time for young children.
