- *As Flex Days shift from School Break/Holiday to Classroom Days during the year, the online calendar will be adjusted and the community will be informed.*
  
- *The first five days of classroom closure will not be made up. Classroom closures starting with the sixth day will activate the adjustment of Flex Days.*
  
- *Our classroom closure decisions will be made based on public health recommendations. We will take BVSD's decision into consideration, although that will not be the only determining factor regarding when and how long to keep our classrooms closed, especially given that BVSD's calendar does not always align with ours.*
  
- *The Flex Days apply only to days that our classrooms are closed because of public health guidelines. Days missed for other reasons (inclement weather, COVID cases in the BWK community, facilities issues, etc.) will not be made up.*
  
- *This flexible calendar does not adequately address the possibility of an extended classroom closure in the Spring. If that scenario should occur, we will revisit the calendar and make adjustments as best we can.*
  
- *In the event that we must make up all 25 days in the second half of the school year, leaving few breaks during that time, we will be especially mindful of the impact on the community – children, parents and teachers. If we observe that a break is needed, we reserve the right to make adjustments as necessary in order to maintain healthy school/work/life balances for everyone. We will announce any schedule adjustments as soon as we are able.*
